The handiest spreader on the market: Granomax – Spreading made easy

The application is in principle very easy. Fill it, pull the Granomax around your back and start spreading. Spot treat, broad cast, in small corners of your garden, lawn areas, paths and drive way – and many more applications.

Granomax 5
Art.No. 11893001

The spreader allows (due to the clever geometry) even spreading in any situation

5-stage flow rate control allows an accurate dosing

Viewing window granule flow

Dust proof 6.5 litres (approx. 5 kg granular fertiliser)

The clever carrying system enables by simply shifting the bag / belt, a continuously and uncomplicated adjustment of the spreader height
